

VEGAN AND EGGLESS CAKES

The Pantry Door is not a specialist Vegan Bakery, and therefore we do not have a day to day vegan menu option for celebration cakes. I can offer a small range of **VEGAN CUPCAKES ONLY** as an additional purchase for my wedding clients as special catering for vegan wedding guests. Due to the structural requirements for tiered cakes, I cannot offer vegan tiers within your wedding cake. Please be aware that all cakes are produced in a kitchen that handles animal products on a daily basis, and therefore we cannot guarantee no traces, although all care and attention will be taken with your order to avoid cross contaminations.
